

ANTI-COVID MEASURES

This year the VTB Capital Investment Forum RUSSIA CALLING! is taking place online.

The organizers of the forum pay particular attention to ensuring epidemiological safety of the events' participants present at the venue and are undertaking a set of measures to prevent the spread of Covid-19.

Only guests with negative Covid-19 test results are granted access to the venue.

Social distancing is one of the forum's priorities both during the venue layout planning and during communication.

At the entrance body temperature will be checked. Entry will be denied to guests with body temperature of 37.0°C or higher.

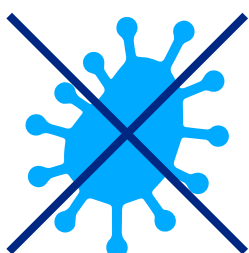

Cleaning of the venue with the use of surface disinfectants takes place on a regular basis.

Face masks are mandatory at the Forum venue and are provided by the organizers.

Speakers may take off their face masks only in front of the TV camera, the rest of the time wearing a mask is mandatory.

Throughout the venue contactless hand disinfectant dispensers and antibacterial air recirculators are installed.
